Foreword

◆ ◆ ◆

ALL the world loves a song—from the gay or solemn notes of a folk tune to the soft or crashing tones of a symphony. With its choral groups, band and assembly singing, Lewisburg High School proves that it is no exception. The enjoyment of music is universal, and in keeping with the trend toward a universal concept, we, the ONEIDA staff of 1945, have chosen music as the theme for our yearbook.

THEY ALSO RAN

They also ran who could not cross the line;
They also ran whom Fate meant not to win.
But they will race upon some distant track
To truly win when they return again.

Henry Bond, Maurice Boney, Roland Doyle, and Kenneth Sauers left their school activities early to serve in the broader field of work—the armed services of the United States. We would honor them especially along with these men who were called "to the colors" *during* their senior year.

THE MASQUE

Again the Masque has been engrossed in improving conditions around the school. Last spring the Masque was responsible for repairing the footlights on the stage, as well as re-painting the scenery. This year the project of cleaning up the dressing rooms was undertaken and satisfactorily completed. Interesting chapel programs were presented by the Masque at the beginning of this year.

THE NEWSPAPER

The "Green Dragon" has progressed amazingly in one year's time. This paper is sung about and sold every three weeks and is fast becoming a "must" on the students' buying list. Its sponsor, the Boys' League, has every right to be proud of this worthwhile project.

STUDENT COUNCIL

FIRST SEMESTER

The Student Council got into the swing of things first semester by presenting an organization known as the "Activities Club," composed of representatives of each class and responsible for chapel programs during this school year.

The main purpose of the Student Council this year has been to promote a feeling of school spirit among the pupils of L. H. S. This purpose has been accomplished very effectively.

STUDENT COUNCIL

SECOND SEMESTER

The Second Semester Student Council continued its fine work in the comparatively new patriotic as well as the regular school activities it has supervised. It has guided the student body in the salvage drives so efficiently that Lewisburg High School has been awarded the banner several times, marking our school the leader in salvage work.

The Student Council has many accomplishments to be proud of, and Lewisburg High School, in its entirety, considers this organization a real working organization.

FUTURE FARMERS OF AMERICA

The Future Farmers of America consists of several male members of the high school. The purpose of this group is to study and practice using the latest method and devices designed to advance farming to a higher degree of perfection.

These young men have the interests of our country in mind, pursuing improvements and new ideas which will lead to a better-fed America.

SONS OF THE GREEN DRAGON

This year the Boys' League was organized on the club plan. The The Athletic, F. F. A., Bachelors', Photography, Music and Sportsman Clubs made up a well-rounded program.

During the year, the league has presented a series of interesting and educational chapel programs. An "All-Out for Memorial Field" program was presented through which they raised nearly $500.

Several other presentations were made by the boys; namely, a French horn to the band and a service flag to the school.

First Row, Left to Right—Spangler, Strassner.
Second Row—Brown, Miller.
Third Row—Mr. Snyder.

Standing, Left to Right—Anna Mae Wehr, Jane McCullough, Annabelle Wagner, Barbara Bond.
Seated—Mrs. Mathias.

GIRLS' LEAGUE

Harmony is the keynote of the Girls' League. Under the capable leadership of this year's officers and the treasured guidance of Mrs. Mathias, the Girls' League meets twice a month, the meetings coming on Wednesday. The meetings are devoted to business and to entertainment in the form of speakers and programs sponsored by the four classes.

The Girls' League has become a tradition and it furnishes a friendly and guiding haven to every girl in the high school.

GIRLS' CHORUS

From a group of amateur warbling birds, Miss Robison once again has emerged with a really worthwhile voice organization.

The Girls' Chorus is composed of several Junior and Senior girls who hold music close to their hearts.

Important events for the group were the participation in the annual Christmas Carol Service and a concert in which they joined with the band.

MAY DAY

The graceful spirea in the background, combined with the soft tones of the court gowns and costumes of other participants in the program, their offerings, but Spring, with her light dances and tunes, brought the fair May Queen, Barbara Bond, who was crowned by Patty Acker, our previous queen.

The graceful spirea in the background, combined with the soft tones of the court gowns and costumes of other participants in the program, lent a pleasing atmosphere to the event.

CHRISTMAS CAROL SERVICE

The annual Christmas Carol Service was presented December 20, 1944, and featured the vocal organization of the high school under the direction of Miss Inez Robison in conjunction with a beautiful and inspiring pageant in which pupils of the grade schools and the high school took part.

The service included several selections by the Girls' Chorus and the Mixed Chorus, and was followed by the pageant which was representative of the memorable "Manger at Bethlehem."

First Row, Left to Right—Herbst, Wetzel, Fritz, Poeth, Herbst, Bostian, Yocum, Meyers.
Second Row—Walters, Diehl, Wagner, Sassaman, Sassaman, Miller, Murrey, Johnson, Solomon.

VARSITY SOCCER

This year's varsity soccer team showed that they had the possibilities of a good team winning their first four games. But as the season progressed the Dragons lost their stride and had to play a championship game with Dalmatia High School. The Dragons were left behind during the last half of the game by the score of 5-1.

However, this defeat was forgotten by a victory over the Mifflinburg Comets, Lewisburg High School's old rivals, by the score of 1-0. The Dragons did not set any records this year, but they showed promise of a good team for the next year.

VARSITY BASEBALL

This year's baseball team turned in a rather poor performance compared to that of the championship team of last year. The Dragons fought all the way from the bottom during the first half of the season, but during the final half they went into a slump and ended up in last place in the league. Even with this defeat facing them, the Dragons showed spirit and sportsmanship throughout the season to make a fine standing for their school.

The leading batter for the team was Wendell Smith, the captain, with .400. He was closely followed by Eugene Solomon with .396.

First Row, Left to Right—Solomon, Deihl, Meyers, Smith, Herbst, Moyer, Strassner.
Second Row—Miss Sassaman, Heimbach, Sechler, Stahl, Kline, Sassaman, Weitzel, Wagner, Peck.

Standing, Left to Right—Walters, Strassner, Wagner, Wright, Johnson.
Seated—Mr. Dyer, Heiter, Herbst, Myers, Solomon.

VARSITY BASKETBALL

This year's varsity basketball team, under the new leadership of Coach Denver Dyer, turned in a wonderful record at the close of their season. The Dragons won the first-half championship gave over Selinsgrove High School by the score of 42-38. Their luck did not hold out, however, and during the second-half they fell down to second place in the league. In the final championship game for the Susquehanna League the Bloomsburg Panthers defeated the Dragons 30-28. This was their last game of the season. They played 22 games, winning 18 of them, for a fine record of play.

VICTORY CORPS

Hut! Two! Three! Four! This has become a familiar chant at L. H. S. since the organization of the Victory Corps. Under the experienced supervision of Mr. Gill, the Victory Corps provides a preliminary course in discipline and leadership valuable to all.

It is rapidly becoming one of the most profitable and outstanding activities of the high school, as is fitting in these times.

Hats off to Mr. Gill!

THE BAND

This year Lewisburg High School students have shown their interest and co-operation in a new and progressive organization, which, under the competent leadership of a new faculty member, Mr. Beckman, has more than proved its worth.

The Victory Corps marched to music, and the basketball games were made even more exciting by the presence of the band. The band gave a concert in the spring and played on Memorial Day.

This worthy project has evolved slowly but steadily, and the future has much in store for it.

Bucknell's Scholastic Relatives

Lewisburg's older families have numerous local relatives. By great-uncles and grandparents, by nephews and forty-second cousins, they have many ties and connections with Bucknell University. Town and gown in their history are intimate and inseparable.

Lewisburg High, our kid sister in the educational field, is the tie that binds the affections of Lewisburgers and Bucknellians. As such we have only the kindest feelings of a close relative. We want to assure you that Bucknell and Lewisburg High belong to each other and when you can and when you will, you may always unite one with the other.
